

"This & That"

FROM OLIVER LODGE, SASKATOON.

BRINGING BACK AN OLDIE BUT A GOODIE!

We have brought back the original "This & That" newsletter of the past as an outlet to share information pertaining to the everyday happenings at Oliver Lodge. Please enjoy this inaugural edition of the 21st century and look for new editions in the future!

KEEPING OUR COOL THIS SUMMER

In order for our air conditioning to keep up with the cooling demands this summer, please remember to close all windows when the temperature outside is warmer than the temperature inside.

GNOME ADVENTURES

What will our silly gnome be up to next?

Be sure to visit him in our greenhouse room and keep an eye on his next adventure!
