Hello Everyone! Welcome to the tail end of Phase 2 of the Re-open Saskatchewan Plan. Please keep in mind that Oliver Lodge is not expecting changes in the restrictions on our facility until Phase 5 of the plan.

**We are happy to report that we do not have any cases of COVID-19 at Oliver Lodge.** Residents continue to remain in their community in order to limit the possibility of contamination of the Coronavirus. Staff continue to have their temperature taken at the start and end of their shifts. They also complete the screening questionnaire and change out of their street clothes and into clean work clothes. Continuous masking is still in effect for all staff when they enter resident communities.

**Emails & Video Chats** – Send your letters and pictures to [oliverlodgespecialcarehome@gmail.com](mailto:oliverlodgespecialcarehome@gmail.com). They are printed and delivered each Monday – Friday morning (and afternoon if time permits).

If you are interested in scheduling a video chat with your loved one, please contact the Recreation Coordinator in your loved one's area or Rev. Darren Wooff.
