Hello Everyone!

We are happy to report that we do not have any cases of COVID-19 at Oliver Lodge.

Hair Salon Services – In March we needed to shut down our Hair Salon due to Covid-19. It is our pleasure to inform you that we are currently working on filling the Hairdresser position and developing work standards to ensure the safety of all residents who enter the salon for services. There is not a date set at this time for re-opening, but it is our goal to have things in place this month and be operational.

Virtual Visiting – Virtual Visiting is a great alternative to visiting with your loved one with the cancellation of our outdoor visits due to the cold weather. If you are interested in scheduling a Virtual Visit with your loved one, please contact the Recreation Coordinator in your loved one's area or Rev. Darren Wooff. They may not be able to answer your call, but leave a message and they will return your call as soon as they can.

Please keep in mind that Virtual Visits can be arranged to be had with multiple visitors at the same time.

Item Drop-Off Times – Items can now be dropped off every day from 11:00am-1:00pm and 4:00pm-9:00pm. The cart will be found in between the sliding doors in the vestibule. Please remember that all items must be well labeled with your loved one’s name and items are left at your own risk. Items that are dropped off Friday-Sunday will not be delivered until Monday at the earliest. Deliveries are not made on statutory holidays.

Indoor Visits –

Please remember:

- Visits must be pre-booked by calling **306-986-5488**.
- Visitors must wear the medical grade mask that is provided for the ENTIRE visit.
- Visit times are Monday-Friday:

10:30am - 11:30am	3:30pm - 4:30pm
1:30pm - 2:30pm	6:30pm - 7:30pm

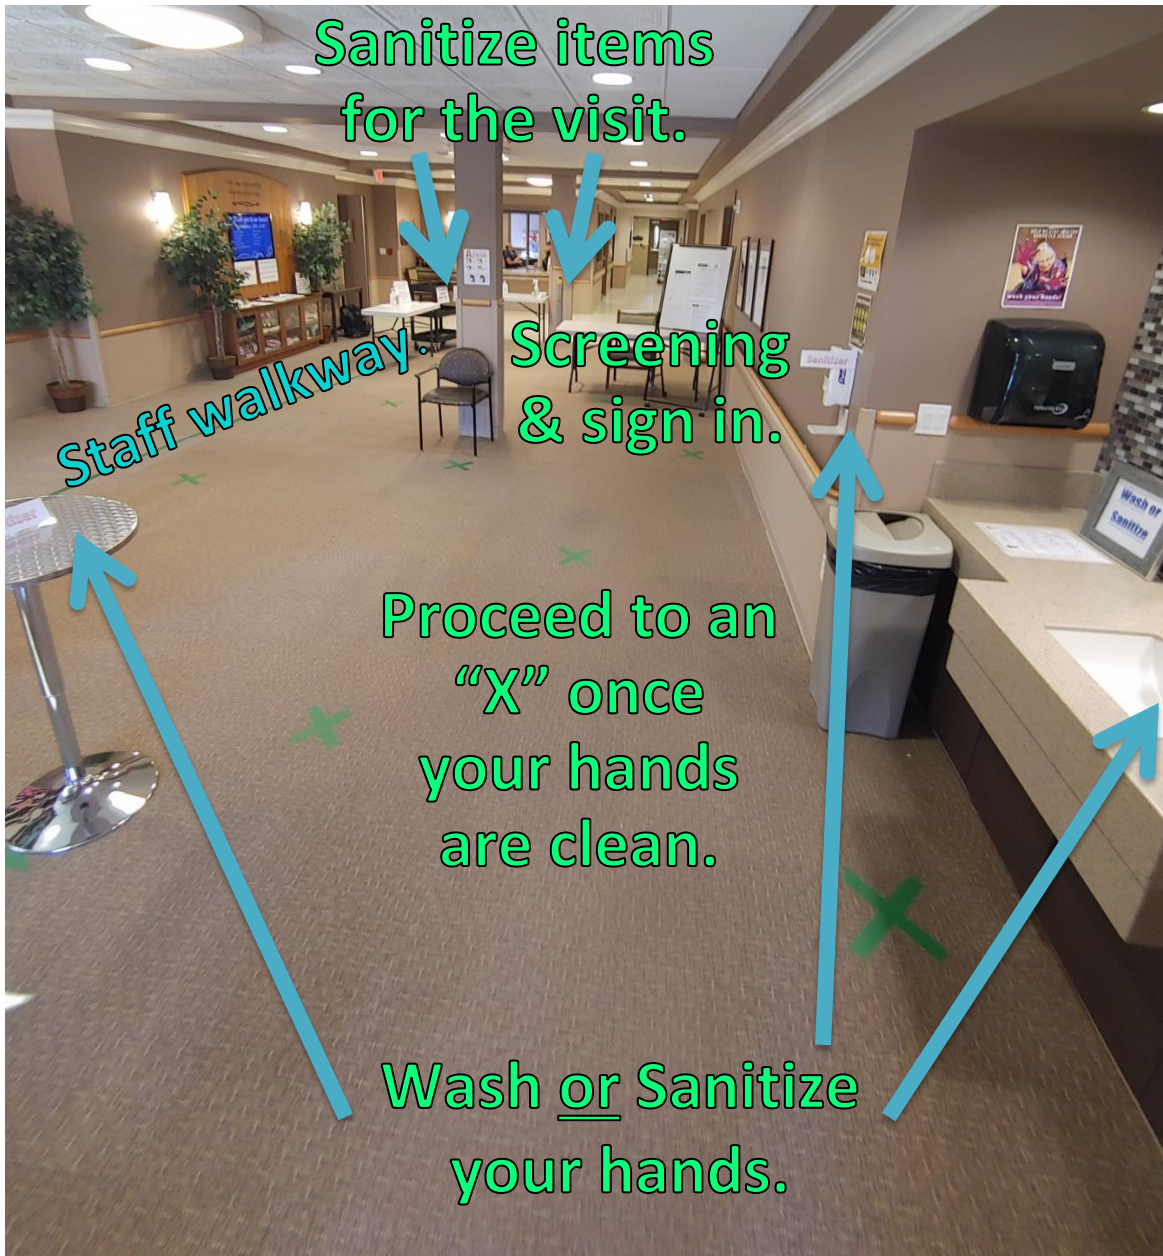

Visits must be booked and confirmed by 12:00pm the previous day (by noon on Friday for Monday visits or Tuesdays if there is a statutory holiday). Bookings for the next day will not be taken after 12:00pm. Please keep this in mind when scheduling your visits with your loved ones.

**There will be no indoor visits on Monday, October 12th
due to the Thanksgiving statutory holiday.**

Please note that the indoor visits are subject to change with little notice, depending on the level of Covid-19 concerns in the greater community and the safety and wellbeing of your loved ones. Our first priority is the health and safety of our residents and staff at Oliver Lodge.

***Celebrating
all that we are!***

We ask that all visitors sanitize or wash their hands and move forward to an "X" on the floor. This will allow as many people as possible inside and out of the cold. There is room for one person to be signing in, one person to be washing their hands, and seven others to be waiting their turn to sign in. There are also two sanitation spots available for wiping down items being taken for the visit.

We are seeing lots of items coming into the building at visit times and not being left on the item drop-off carts. Please remember that **only the items for the visit are to be going with the visitor to the resident's room.** These items can be sanitized and taken with you and all other items are to be left on the cart to be delivered to the resident once they have been quarantined or properly sanitized. This process is in place in order to minimize the risk of Covid-19 exposure to the residents.

Oliver Lodge has developed these guidelines to keep your loved ones safe. Thank-you for respecting and following these guidelines as we work together to keep Covid-19 out of our home.

Love to you all,
Oliver Lodge
