

December 18th, 2020

Hello Everyone!

We continue to be on a COVID-19 outbreak on Oliver Lodge South.

Christmas Presents – In order to guarantee that your gift will be delivered to your loved one by Christmas, please drop it off on the cart by the end of the day on **Monday, December 21st**. The gifts from Sasktel Pioneers and London Drugs have arrived and are currently in quarantine to be delivered to the residents on Christmas morning.

Help Decorate the Trees - We are encouraging staff, residents, and families to hang a decoration on the tree – make a wish, say a prayer . . .

The trees are located at the entrance to Oliver Lodge South (up the ramp at the south end of the parking lot) and the main entrance to Oliver Lodge.

Christmas is going to look very different for most of us this year, so take a moment to acknowledge the difficulties we are all facing and look for the joy and blessings that surround us.

Celebrating all that we are!
