Hello Everyone!

**We continue to be on a COVID-19 outbreak on Oliver Lodge South  
and a suspect COVID-19 outbreak on 2<sup>nd</sup> floor.**

**Please visit our Webpage COVID-19 update bar ([www.oliverlodge.ca](http://www.oliverlodge.ca)) for the most up  
to date information.**

**21 Days  
till Christmas!**

**Item Drop Offs for Residents** – please be mindful when dropping items off for your loved ones especially when it involves food items. If your loved one does not have their own fridge to store items in, the community resident fridge has limited space for everyone to share. Please drop off only what your loved one can consume over the following few days.

**Outside Services** – at this time outside services are not permitted to enter the building (ie: physiotherapists, companions, etc). Please make sure that any services you have booked are cancelled until further notice. As this changes for each area we will keep you informed.

**Life at Oliver Lodge** – Residents are being kept entertained and the Christmas Spirit is flowing! Families are even getting involved outside!

Hallway Christmas Bingo!

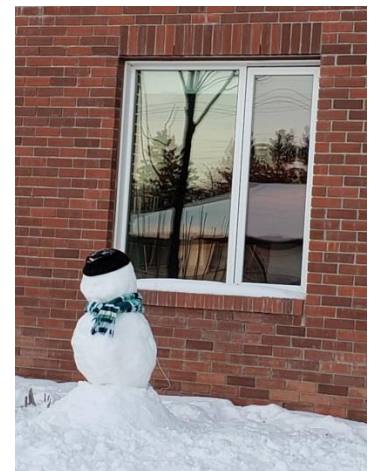

Nativity Scene set up outside the window on Oliver Lodge South by a family member.

Personalized stockings are being made for each resident on Oliver Lodge South.

Love to you all,
