Hello Everyone!

We are happy to report that we do not have any active cases of COVID-19 at Oliver Lodge.

Indoor Visits – This week the province announced that visitor restrictions will be relaxed moving forward. We are still awaiting more information and guidelines from the province. We will share more details as they are provided to us.

Outdoor Visits – These visits will depend on the indoor visit changes as we move forward. We will keep you posted as we know more.

As we receive more information we will share it with families as soon as possible. This means that you may receive communication from us prior to the Friday newsletter. Watch your email, Facebook, and webpage for this communication.

Please do not contact Oliver Lodge in regards to the Visitation changes. Information will be shared as it becomes available.

Love,
Everyone at Oliver Lodge
