Hello Everyone!

We are happy to report that we do not have any cases of COVID-19 at Oliver Lodge.

Oliver Lodge organized outdoor visits will be resuming Thursday, May 6th. There will be morning and afternoon visits available, Monday through Friday. There will be visits scheduled on Mother's Day, (Sunday, May 9th) as well. Please read through the following guidelines for how we will be offering this process.

OUTDOOR VISITS GUIDELINES

1. Visits will be scheduled in advance. Please call **306-986-5488** and leave a message that includes your name and phone number as well as your loved one's name and their room number. We will return your call as we are able. Please allow up to 3 business days for your call to be returned. Leaving multiple messages delays call being returned.
2. At his time, due to the number of visits available, each resident will be allowed one visit to be scheduled per week.
3. A maximum of 4 visitors will be allowed and they must be from the same household.
4. Visits will be limited to a maximum of 45 minutes to allow time to disinfect prior to the following visit.
5. If there is inclement weather, visits will be cancelled and you will be contacted to reschedule.
6. Please arrive 5 minutes prior to your scheduled visit and practice social distancing with all other visitors. All visitors will complete a COVID-19 screening.
7. Please park in visitor parking or on the street. DO NOT enter the building. All screening and visits will take place outside. A staff member will greet you and provide you with instructions.
8. Masks must be worn by all visitors during the entire visit.
9. In order to keep your loved one safe, you will not be able to touch them during your visit. A minimum of 6 feet (2 meters) distance must be maintained at all times.
10. There will be NO access to washrooms during your visit.
11. Items for your loved one may be placed on the delivery cart for staff to disinfect/quarantine prior to being delivered to your loved one.

Please be patient as we are predicting that there will be an influx of calls. We will be returning calls in the order that they are received.

Love to you all,
Oliver Lodge
