

December 3, 2021

We are happy to report that we do not have any cases of COVID-19 at Oliver Lodge.

Christmas Season Treats – It saddens us to let you know that we will be unable to accept boxes of chocolates/treats to be shared with staff due to infection control issues, however individually wrapped items can be accepted this year.

An alternative option is to make a donation towards our staff appreciation fund. These funds are used to initiate safe events and acts of kindness such as free lunches, swag, and individual treats. These donations can be made online at <https://oliverlodge.ca/donate/> or by cash or cheque made out to Oliver Lodge. Please make note with your donation that it is a designated donation toward staff appreciation. If you have any questions, please contact Kristen Smith at Kristen.smith@saskhealthauthority.ca or 306-986-5471.

Delivery Cart – The delivery cart located in the front entrance has been removed. Items are able to be delivered to the residents directly during visiting hours. Please do not leave items for your loved ones in the front entrance or lobby.

Visiting Hours:

- Monday-Friday → 1:30pm-7:00pm (must screen in by 7:00pm)
- Saturday & Sunday → 9:30am-7:00pm (must screen in by 7:00pm)
- Statutory Holidays → 9:30am-7:00pm (must screen in by 7:00pm)

If you have any concerns regarding visitation, please contact Melissa at 306-986-5470.

Locking of the Front Entrance – The front entrance sliding doors will be locked during certain times of the day/night for the safety of staff and residents. If you require access to the building outside of regular visiting or business hours, please contact the nurse on your loved one's neighbourhood.

Love to you all,
Oliver Lodge
