

September 1, 2022

**Oliver Lodge continues to be in a Covid-19 outbreak.**

- Currently there is one resident who has tested positive on 2<sup>nd</sup> floor and staff members in the building have also tested positive.
- **There are currently no changes in visitation.**
- Additional PPE is only required if visiting a resident who is on isolation due to Covid-19.
- Masks are mandatory in all common areas and visitors are asked to physically distance from other residents.
- Please do not visit if you are not feeling well and if you are able to, please test yourself prior to coming to visit.

Our efforts in eliminating our pest issue has been successful to this point. Treatments are completed at this time and we will continue to evaluate as we move forward.

Love to you all,  
Oliver Lodge

*Celebrating  
all that we are!*
